

# BLOCAMP – ORIENTEERING TRAINING CAMP

## I. GENERAL INFORMATION

Balise 77 is pleased to offer an orienteering training camp composed of:

### 6 TRAINING SESSIONS

We have designed six themed training sessions and placed the controls (more precisely, colour tapes with control numbers).

Maps are printed on durable paper by SSPRINT and sent directly to your home.

You may order one or several maps per session.

### 3 LEVELS

Most sessions offer three levels of technical difficulty, and some courses are available in short or long versions so everyone can train at their own level.

Levels:

- Yellow
- Orange / Violet
- Violet / Black

For each training session, it is also possible to order an ALL map (all controls).

This allows you to create your own exercise (for younger athletes, for example) or to give a complete map to less experienced orienteers.

### PRICES

The price per map is €4.50. This includes printing, sometimes double-sided or in A3 format.

Shipping costs:

- €3 for orders of 20 maps or fewer
- €6 for orders of 21 maps or more

Orders cannot be modified or refunded.

## 2 NON-STOP MONTHS

Training sessions are available from February 1st to March 31st, 2026 (and not a day more, due to ONF regulations).

Location: Fontainebleau Forest
